36" TRANSITIONAL INDUCTION RANGE

IR365TE/S/TH

FEATURES

Control heat and airflow expertly as dual convection creates just the right cooking environment for everything from Cornish hens to cherry pie to butternut squash

Anticipate high heat on-demand as well as the most delicate of lows

Achieve faster boils and sears through a four-zone induction power-boost

Transform two burners into one larger burner with the bridge feature

Breathe a bit easier with helpful safety measures, including cookware-sensing burners that deactivate when an induction-compatible pan is not in place

Operate easily with a control panel that rotates out of sight when not in use

Assures predictably delicious results with a variety of modes including Convection Roast, Proof, and Dehydrate

Leave nothing to chance. Our temperature probe alerts you when your dish has reached the desired temperature for worry-free, delicious results

Includes options such as self-clean, delayed start, timed cook, Sabbath mode, and more

Find your kitchen style with a choice of iconic red, black, or brushed stainless control knobs
