# 15" DESIGNER UNDERCOUNTER ICE MAKER - PANEL READY

DEU1550I

## FEATURES

For extra peace of mind, if the unit senses a water leak, it will shut down to prevent further leakage and notify you through an alarm and the Owner's App.

MaxQuiet™ technology ensures near-silent operation

Intuitive cleaning system requires less user interaction

A subtle floor light shows the progress of the cleaning process

Produces up to 65 lbs. of clear cube-shaped ice (approximately 1 1/4" across) per day

Rounded ice scoop is specially designed to pick up as many cubes as possible

Panel-ready, with integrated hinges, to blend seamlessly into surrounding cabinetry

The intuitive controls match other Sub-Zero touchscreens and are located on top of the door for easy access and viewing

Use the Owner's App on your mobile device to start or stop ice making, remotely monitor the unit, adjust settings, and receive notifications on cleaning status

Sub-Zero's legendary quality means the ice maker will provide years of regular use even in harsh outdoor conditions
